Headteacher News

School Year 2024-2025

We have come to the end of the academic year 2024-25 and can look back on another fantastic year in which so much has happened!

We had our Ofsted visit back in November, opened our Karder Hub in January and have had numerous curriculum events, visits and trips which all add to the very special offer at Curnow School.

I would like to thank all the staff who work so hard to support the children and young adults, from our admin team, site teams, teaching assistants and teachers. Everyone is invaluable in ensuring that we can provide an outstanding offer and journey whilst at Curnow school. We have also faced some challenge, but will always ensure we are working hard to find better ways of working, reflecting and moving forward.

I would like to thank all the parents, carers and families for their continued support and this was so clear to see at the Leavers Prom last night. It was a wonderful event where the school community came together to celebrate the journey that our young people have been on over many years at Curnow School.

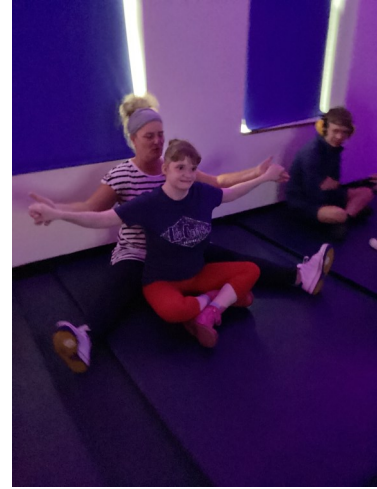

The last thank you goes to our amazing pupils who work and try so hard within their learning. They are truly amazing and we are very proud of each and everyone of them and they should be very proud of themselves!

Finally, I truly wish you a lovely summer and hope the weather is kind to us all before we return at the start of September!
